Pre & Post Hospitalisation

1

PRE HOSPITALISATION

Any medical costs incurred before the patient is hospitalised due to certain diseases.

Expenses for up to 30 days prior to Hospitalisation as long as the 30 day period commences and ends within the Policy Period. Not applicable for maternity claim.

2

POST HOSPITALISATION

Medical cost incurred after the patient gets discharged after the treatment for the diagnosed disease.

Expenses for up to 60 days after discharge from Hospital can be claimed back

Cashless Hospitalisation

Health insurance providers usually tie-up with certain hospitals across the country where policyholders can avail cashless treatment. These medical establishments are called cashless hospitals, network hospitals, or empanelled hospitals. Policyholders can avail cashless treatment at network hospitals for both planned and unplanned/emergency medical procedures.

To view the list of hospitals in the TPA's network eligible for cashless hospitalisation.
